

Support and information for parents and families in Surrey Heartlands during the coronavirus pandemic

Virtual Parenting Support

Postnatal Peer Support Group by Home-Start

These newly launched virtual groups are relaxed and informal with support from a counsellor and child care professional and four other families over the course of five sessions. To join please email: enquiries@home-start-elbridge.org.uk

Surrey Family Information Service

Signposting to online parenting and family sessions, support from your local Family Centre, wellbeing and financial advice during isolation.

www.surreycc.gov.uk/people-and-community/families/support-and-advice/keeping-your-family-safe/coronavirus-covid-19-resources-and-helpful-information

One-to-One Peer Support by Home-Start

Individual support by telephone/Facetime from a trained volunteer or family coordinator including emotional support with a newborn, practical food/supplies drop off, preparing families and children for school, and support for bereavement, disability or illness. Leave details on the 'contact us' box online: homestartelbridge.org.uk/get-support/

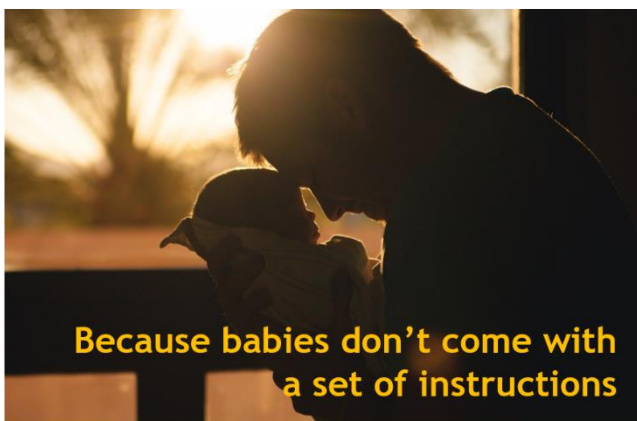

Parenting Apps

DadPad App

For new or soon-to-be fathers offering practical information on everything from crying and bonding with your baby to supporting your partner. Download from your App store and select your NHS Hospital Trust for local support and services. www.thedadpad.co.uk
